

Holy Trinity Scottish Episcopal Church, Monifieth NEWS July 2010

FROM THE RECTOR

Well, Summer has certainly come in these last few weeks – and let's hope it hasn't gone again before you read these words! Schools have broken up for the Summer and many people are away, or preparing to go away for a refreshing break from the usual routine. These holidays are important for our refreshment and wellbeing – a time to relax and recuperate – and we all benefit from taking some time out from work.

Jesus also regularly took time out from his work of preaching and healing. After particularly hard sessions, surrounded by crowds – often demanding his help and attention – he would go aside into the mountains or wild places to spend some time with God – resting, recuperating and praying.

I hope that you will all have restful and enjoyable holidays this Summer – but that you will also use some of this time to be with God – possibly giving a little more time to prayer, or reading the bible, or even reading some other 'spiritual' literature.

Thank you to all those people who work so hard, in so many ways, for the benefit of the Church and the people in it.

Happy Holy-days!!

Rev'd Angela
